

232 mm

David Grays Antex Insecticide Granules is a highly effective, fast acting product that kills ants on contact. David Grays Antex Insecticide Granules provides barrier protection to control ants outside before they get inside your home.

David Grays Antex Insecticide Granules is biodegradable and its performance is not affected by rain.

HOW TO USE

Situation	Pest	How to Apply
Building, Foundations, Pavers, Lawns, Gardens, Paths, Around Soil and Plants	Ants	Determine areas where ants are most active. Dispense directly from pack, sprinkle evenly over the area to be treated. Do not heap granules. Sweep in between pavers, cracks and crevices and dispersed into soil and lawn. Where possible, sprinkle directly on and around ant nests and trails. Heavy infestation rate: 250g/10m ² Light infestation rate: 75g/10m ² Reapply when ant activity returns.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED.

CAUTION:

Lock in a safe place preventing access of children and animals. Keep away from domestic pets, especially dogs. If dogs eat David Grays Antex Insecticide Granules it may have toxic effects. If your pet eats David Grays Antex Insecticide Granules contact your veterinary surgeon immediately. **DO NOT** spread granules directly onto humans, pets, exposed food, food preparations areas or food utensils. Use with caution around pets-ensure product is well dispersed i.e. swept in between pavers, cracks and crevices and dispersed into soil and lawn. **VERY TOXIC TO FISH AND AQUATIC ENVIRONMENT. DO NOT** apply granules directly into drains, sewers, streams or ponds. **DO NOT** apply within 2 metres of a fishpond or water containing fish or other aquatic species. **TOXIC TO BEES. DO NOT** use to treat Fire Ant nests.

STORAGE & DISPOSAL:

Store in the closed original container in a cool, dry place out of the reach of children and pets. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS:

Wash hands after use.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26.
